The telegram purports to have been sent by one Narasinha Iyengar Dharmakarsi and a subsequent telegram dated 13th inst. advancing the same arguments has also been received since from the Archaka of the Mugrai temples at Nemmeinkeni.

It is stated that Pandals covering the wheels have been erected in connection with the procession in the town of the Swamigal by Mugi Matha that Abhishekam water and teertha utsavams carried upon under the Pandals, that Sampradyakams have since been prepared that the Swami should go on foot in front of temples and that music has to be stopped. As regards the allegation that Agraharam cannot be taken under the Pandals a similar contention was raised in connection with the triumphal arches put up during the Swami's last visit to the Nemmeinkeni District in 1908. At para 23 of the office note in file no 65 of 1908, my

predecessor Mr. Subramanya Iyer has recorded that the Advocate of the Municipality were of opinion that there was no statutory prohibition. I surmise that the decision applies equally for all Pandals. If temporary structures cannot be taken under them - I do not feel competent to offer an opinion on the subject, there is nothing to prevent this being carried out in the temple precincts and I do not think a Sanad will have also be required as a consequence.

The claim for the stoppage of music has been answered in the negative in other similar cases and the contention that the Swami should go on foot in front of temples deserves no serious consideration.

The petitioners may be informed that the Govt. are not prepared to interfere in the matter.
